Sponsors

All non-event content is housed within the Website tab of Showtime, including the Sponsors module.

For sites that have a sponsors section on the homepage or in a global footer, the sponsors module is where you can manage the logos and links for this section. Within this module, you can toggle sponsors on and off, add new sponsors, delete old ones, and reorder them by dragging and dropping. To edit an existing sponsor, simply click on the "edit" pencil icon and update the name, link, and/or image. Once finished, be sure to save your work and turn the sponsor on, or it will not show on the front end of the site.
